

First Grade Flash

February 11-14, 2019

Language Arts:

This week the class will be completing the Unit 3 Benchmark Assessment. The kids will also be learning about presidents.. So, the Practice at Home sheet looks a bit different.

We are asking the students to read a Schoolastic News article and complete activities centered around it. Later in the week students will be completing a STEM activity in regards to Valentine's Day. Expository Writing will be finished up this week.

Important Dates:

February 11: Winterfest Basket Items Due
February 14: Friendship Party at 1:30pm
February 15 – Prairie Vista Night at Penn High School basketball game. Students get in free.
February 15 and 18: No School President's Day Weekend
February 21: Winterfest 5:30-7:30pm

Math:

The class will be beginning Chapter 6 - Developing Fact Power. Fact families, fact triangles, and working on addition facts using a fact table will be the focus.

Friendship Cards:

We will be celebrating Valentine's Day during our Friendship party this Thursday, February 14th. We will be making a special bag in class with the students, so all they need to bring in is their friendship valentine cards. Just a reminder to please have your child put their name on the card but NOT the name they are giving it to.

Please leave them blank to make passing them out easier.

Thanks!

Items Needed:

Tissues
Wipes
