

First Grade Flash

February 19 – 22, 2019

Math:

The class will be working in Unit 6 this week. The class will be working on name collection boxes, fact families, and continuing practice with math facts.

Important Dates:

February 21: Winterfest
5:30-7:30pm
March 9: Young
Author's Conference

Language Arts:

This week the class will be beginning a unit on penguins. We will not be using our basal reading books. The students will be completing research and learning all about penguins. The class will be comparing and contrasting different articles and working on applying these skills within their writing. The writing genre for the next few weeks will pertain to informational non-fiction writing.

Winterfest volunteers needed Thursday! Please click on this link and sign up to help with set-up, clean-up, or only an hour shift! Thank you so much for supporting Prairie Vista!!
