Weekly Skills:

Language Arts:

The students are reading The Big Blue Ox this week. The class will be focusing on characters, setting and visualizing. They will also work on retelling the story. In grammar the class will be discussing verbs. The class will begin our first writing unit writing small moments.

Math:

Unit 1 math skills will continue to be the focus this week. Tally marks, the calendar, telling number stories, and weather will be covered.

Social Studies:

The students are continuing to focus on family and friendships. Please ask your child about the characters Mean Jean and Katie Sue from the book The Recess Queen.

Language Arts:

In your child's planner there is a list of the high frequency words that are in this week's story. Please take a few minutes to review these daily! Students will not be required to spell these words, but should be able to read them in text.

PLEASE RETURN YOUR CHILD'S WRITING FOLDER AS SOON AS POSSIBLE!
THANKS FOR YOUR HELP WITH THIS!
