

Puma P.R.I.D.E Summer Reading Challenge

Welcome to the Puma P.R.I.D.E Summer Reading Challenge! This program is a fun way to keep reading over the summer. You will have a checklist of fun reading topics to complete. No one wants to fall behind during the summer and reading is a fun way to stay ahead! It may sound boring to have to complete a **SUMMER** reading program but **it will be super fun!!!**

There are 30 different reading challenges for you to pick from on the back of this page. To complete the program, you only need to complete 15 of these challenges with a minimum of 15 minutes of reading for each (you can read longer if you want 😊). All challenges are entertaining and doable! To show you completed each challenge you will color in the puma paw  next to the challenge on the list.

You will turn in your checklist at the beginning of the next school year. Don't forget to put your name on this list and have your parent sign that you actually read. Not only will you be ahead of anyone who did not read over the summer, but the school will acknowledge all participants that completed the checklist and turns it in. You will not regret completing this program! For more information and for reading recommendations from our wonderful Prairie Vista teachers, check out our summer reading website at:

<https://prairievista.phmschools.org/summer-reading>

*We hope you have fun, have a great summer and **READ!!!***
