

First Grade Flash

April 29-May 3, 2019

LANGUAGE ARTS:

This week the class will be reading Simple Machines. This is an expository text which will teach the students something. The comprehension skill will be main idea with details. Summarization will also be a skill that we will discuss throughout the week. In grammar, the students will learn about pronouns. The class will be beginning to work on our last writing unit From Scenes to Series which is fiction!

Items Needed:

*clorox wipes
*kleenex

MATH:

The class is continuing Unit 9 this week. Our students will be working on number-grid puzzles and finding quick methods to add and subtract using a number chart. We are also working on extending concepts on fractions and comparing fractions.

IMPORTANT DATES:

May 4: Silver Mile Bubble Bash
May 10: PV South Bend Cubs Reading Night
May 17-23: Book Fair

PUMA PRIDE:

Please review the five classroom rules with your child as we still have 5 weeks of school left and a lot of learning left to do!
Thanks
