

# Prairie Vista School-Wide Veterans Musical Tribute

Tuesday, November 12 @ 9:00 AM

In November of 2014, our 5<sup>th</sup> graders were given the date of November 11<sup>th</sup> for their annual performance. November 11<sup>th</sup> is Veterans Day and we decided to honor our veterans with a musical tribute. The response to the performance was overwhelming so we decided to turn it into an annual school-wide Veterans Musical Tribute. The tribute is a compilation of popular songs from each generation of war from WWI to the War in Iraq. Each year we have over thirty veterans in attendance and this year we hope for even more!

## Student Participation

Each student, in grades 1-5, will learn four or more songs listed on the back. For the tribute, we are asking students to wear red, white, and blue clothing. No need to go out and buy specific clothes. Anything from their closet that is red, white, or blue can be worn!

## Invited Guests

We would like to invite local veterans to attend as a thank you for their service. They will be welcomed to our school at 8:30 AM, served a light breakfast and then escorted to their seats by their Prairie Vista student for the 9:00 AM performance. Please see attached invitation and RSVP. Derby Photography will be taking photos and recording the event. The performance will be for our veteran guests, the student body and Prairie Vista staff. **Due to fire codes we cannot extend an invitation to parents to view the tribute.**

## Slideshow Presentation

Keeping with the spirit of our tribute, we would also like to honor the veterans of our Prairie Vista families in a slideshow. Participation is optional, but if you have a family member who has served our country and would like their picture to be included, please email a digital image and include the following information. If an image was sent last year, please send a confirmation email and include the following. **Name of Service Person, branch of service, PV student name, and relationship to PV student**
